An Update from Mayor Rob Adams

It's hard to believe that over a year has passed since I was seated as Mayor with a new City Council. Little did I imagine that the ensuing year would be one of the most challenging times in the history of our City. The highway construction on SR 179, the economic meltdown, the resignation of the City Manager and two City Councilors, the sewer installation in the Chapel area and the contentious drama over the lighting of the SR 89A corridor have all occurred during the last year. As a constituent said when I was campaigning, "be careful what you wish for!"

The best lesson that I have learned during my life when things are difficult is to stay focused on the important things and ignore the "noise." Most importantly, you must stay positive. I believe that challenges present opportunities for growth and change. Bearing that in mind, I will highlight just a few of the accomplishments that staff and City Council have been working on for the last year and goals for this fiscal year.

City Manager/Mayor's Office

- Cut the fiscal year 2009-2010 budget a dramatic 19% from the previous 2009-2010 budget in response to the economic downturn. While cuts have been made in all departments, services remain at previous levels. Staff is doing more with less.
- Hired new city manager and two city councilors were appointed.
- Spent a significant amount of time working with Arizona Department of Transportation (ADOT) on the SR 179 construction to keep traffic flowing, businesses and residents informed of construction impacts in their areas and keeping business access open. The work is over 80% complete.
- Working with ADOT on the SR 89A Continuous Roadway Lighting proposal, which is tentatively scheduled to be presented to City Council on October 28.

Community Development

- Development and review process has been streamlined.
- Working on Dark Sky compliance and possible Dark Sky City designation, as well as green building and energy conservation codes.
- Working on adoption of an ordinance that would allow for the rental of accessory dwelling units.

Information Technology

- Implementing an updated and enhanced City website to create a better information resource for the public on City activities and to create better "transparency" in our city government.

Mayor Rob Adams

Parks and Recreation

- Built new ADA accessible restrooms at Posse Grounds Park and refurbished recreation room.
- Added dual soccer/football goal posts, scoreboard and bleachers at the multi-use field.
- Offered twelve new recreational programs.
- Completed Posse Grounds Operations Plan.

Wastewater/Public Works

- Began construction on the Chapel area sewer and storm drainage improvements.
- Resolved the sewer smell issue in West Sedona.
- Have made significant headway on upgrading sewer plant and infrastructure.
- Working on a plan to dispose of wastewater effluent, which may require upgrading of plant treatment capabilities.

Police Department

- Reduced reported burglaries by fifty percent with enhanced investigations and community crime prevention presentations.
- Modernized police dispatch center with state-of-the-art technology for enhanced communication and quicker response.

For detailed information on additional departmental accomplishments and goals, please visit the City's website at www.SedonaAZ.gov, News and Updates, Annual Budget Fiscal Year 2009-2010.

The City Council and staff are diligently working to provide a high quality service to the residents of Sedona while dealing with the difficulties of the economic turnaround. Please bear with us through these challenging times and stay positive!

Lunch with the Mayor

Please join Mayor Rob Adams for lunch and to talk about issues you think are important for the City Council to consider.

Lunch Schedule and Locations:

Oct. 20: El Rincon/Tlaquepaque, 336 S. State Route 89A

Nov. 17: Javelina Cantina, 671 State Route 179

Lunches are Noon to 1 p.m.

This is a no-host lunch and those joining the Mayor will be responsible for their own lunch costs. However, lunch is optional, so feel free to join the informal lunch with the Mayor. For more information, please call the City Manager's office at 204-7127.

Welcome Our New City Manager Tim Ernster

The City Council and staff are happy to welcome new City Manager Tim Ernster. Since joining us officially on June 22, Mr. Ernster has been busy with the daily operations of the City and meeting with various community members and organizations.

Previous to joining us, Mr. Ernster served as the City Manager for the City of Bullhead City, Arizona. In addition to his service in Bullhead City, Mr. Ernster has served in various positions throughout the state of Arizona. His experience includes: City Manager in Lake Havasu City, AZ; Deputy City Manager and various other positions in Glendale, AZ; Interim City Manager in Avondale, AZ; and professional positions with Scottsdale and Tempe, AZ. He has 34 years of local government experience. Mr. Ernster has a Bachelor of Arts Degree in Liberal Arts from Northern Arizona University in Flagstaff, AZ and a Master of Public Affairs Degree from Arizona State University.

Should you wish to discuss community issues, please feel free to contact him at 204-7127.

Deals For You – Shop Sedona

In collaboration with the Sedona Chamber of Commerce and the Sedona Main Street Program, the City of Sedona announces the new Shop Sedona program, a loyalty program for residents and employees of Sedona. Businesses and professionals who are either Chamber members and/or registered businesses are posting all sorts of deals online at www.ShopinSedona.com. You can take advantage of these deals by shopping or working with those displaying the Shop Sedona decal or those posting deals on the web site.

How does it work? Peel the Shop Sedona loyalty card from the mail you'll receive and carry the card with you. When you see the Shop Sedona window decal or find a deal online, present your Shop Sedona card when you patronize that business to take advantage of the special. It's that easy. So, have fun exploring the Shop Sedona opportunities. If you have questions, please call the Chamber office at 204-1123.

Free Information for Seniors

The City of Sedona is pleased to present our first Senior Resource Fair in response to the many calls from seniors for services during the current economic downturn. This event will provide information to enable seniors to remain in their homes as they continue to enjoy their current life style. A wide range of service providers will be on hand to discuss topics such as transportation, local food services, utility assistance programs, telephone services, credit card debt, home foreclosures and much more.

The Resource Fair will take place on Monday, October 12, 2009 at Yavapai College Sedona Center located at 4215 Arts Village Drive just off SR 89A (across the street from Sedona Red Rock High School). The Fair begins at 9:00 a.m. and ends at 2:00 p.m. This fair is structured like an open house, so attendees may drop-in anytime between those hours.

Over 50 services representing the City, County, State and Federal agencies will present their programs. Information and brochures will be available and seniors may also arrange a private meeting to further discuss their needs.

For more information on the Fair or if you have an immediate need for services and referrals, contact Anne Leap, Information & Referral Specialist at 203-5151 or aleap@SedonaAZ.gov

New Website Launch This Fall

This fall, the City will implement a new website to enhance our ability to reach out to citizens and visitors and provide more online capabilities to improve efficiency for users and staff. Look for a complete redesign with a bold new look of www.SedonaAZ.gov soon!

Sedona Recycles Serving Our Community For 20 Years

This year, local nonprofit Sedona Recycles is proud to celebrate 20 years of service in Sedona and the Verde Valley. Founded in 1989 by three Sedona women, Sedona Recycles started as a single drop-off site in the parking lot of what is now the Old Marketplace. From those humble beginnings, Sedona Recycles has grown to operate a full-scale recycling center and 13 recycling drop-off sites throughout the Verde Valley. These 24/7 drop-off sites are available, free of charge, for residents, visitors, and businesses. Every site accepts cardboard, paper, plastics #1-#7, aluminum and steel cans, and clear and colored glass. Sedona Recycles now collects nearly 5,000 tons of recyclables from these sites every year!

Sedona Recycles also provides additional services at their facility. Electronic devices ranging from toasters to televisions can be recycled for a small fee. Members of the nonprofit receive this service for free. Sedona Recycles also accepts ink and toner cartridges for recycling, as well as bubble wrap, packing peanuts, and other packing materials for reuse. If you're in need of some packing supplies, look no further!

You may also recognize some of Sedona Recycles' staff at their battery recycling events at New Frontiers. Held on the first Thursday of each month from 11 a.m. to 3 p.m., batteries are collected for a fee of \$1/pound. Rest assured knowing that your batteries will be recycled into new rechargeable batteries, or even rebar!

When the staff of Sedona Recycles isn't busy processing your plastic and cans, they're visiting local schools, where they donate recycling bins and give educational programs year round. Since 1996, recycling bins have been provided to over 90% of schools in Sedona and the Verde Valley.

In the spirit of true recycling, Sedona Recycles will be hosting the City's first Zero Waste event, a Community Swap Meet and Barbeque at Posse Grounds Park on Saturday, October 24. This event will be free to the public. Music, entertainment, kids' activities, and a raffle will add to the fun.

Sedona Recycles is located at 2280 Shelby Drive. Business hours are Monday through Friday 8 a.m. to 4 p.m. For more information, contact Sedona Recycles at 204-1185 or visit www.sedonarecycles.org.

Update on Public Works Projects

Although the major project within the City of Sedona is the reconstruction of State Route 179 by Arizona Department of Transportation (ADOT), there are other public works projects underway or soon to be underway.

Plans for a signal at the Airport Road/State Route 89A intersection have been completed. The project will be put out to bid by ADOT in the fall of 2009. Construction should be underway in late 2009/early 2010.

The City continues to pursue reconstruction of the three major wastewater pump stations. They are located on Ranger Road, Shelby Road, and El Camino Road. The upgrades add an additional flow channel to the stations so that the main channel can be maintained without risking overflows. These upgrades should be completed by mid-2010.

The City is also constructing a sidewalk in Posse Grounds Park, which will allow for safer pedestrian movements between the various features and events in the park.

Another City project will improve drainage from the Harmony area. This construction project extends from State Route 89A between Giant Service Station and Crystal Magic, along an existing channel, to about 150 feet east of Navajo Drive.

For more information on these projects, please call the Public Works Department at 204-7111.

Garage Sale Signs

Many Sedona residents love shopping at garage sales. As a reminder to those residents who conduct garage sales and put up temporary garage sale signs, remember the following rules:

- Signs may be displayed for three days before the date of the garage sale, but cannot be left out overnight.
- No more than four signs shall be displayed for each garage sale.
- Signs shall not exceed three square feet in area and three feet in height.
- Signs shall not be placed in the SR 89A or SR 179 right-of-way or placed so as to create a traffic hazard.
- Signs shall not be attached to any trees, fences, utility poles, light poles or street signs.

Please contact the Community Development Department at 282-1154 for more information.

SR 179 Temporary Signage For Businesses

Prior to the start of construction of road improvements to the SR 179 corridor, the Sedona City Council directed City staff to allow additional temporary signage for businesses. The Council felt that allowing additional signage opportunities would help offset and soften the impact of the road construction. As a result, many businesses implemented this signage opportunity.

As we are nearing completion of the SR 179 construction project, the temporary sign allowance and the relaxation of our sign code requirements will be coming to an end in the near future. At this point, Arizona Department of Transportation (ADOT) is estimating that construction will be completed by spring of 2010. City staff will keep you informed as we get closer to knowing a firm completion date. This is a “heads up” to businesses, which need to begin the process of getting signage back into compliance with the code.

Please feel free to contact Jim Windham or John Egan in the Community Development Department at 282-1154 if you have any questions or need information on sign code requirements.

Volunteers Needed For Historic Preservation Commission

The City of Sedona is seeking two volunteers to fill vacancies on the Historic Preservation Commission. If you are interested in local history, have some free time, and want to get involved in education, outreach, and preserving Sedona’s past, this is the opportunity for you.

The Commission consists of seven members. Up to two members are allowed to live outside of the city limits as long as they meet other selection criteria. The criteria include having a substantial tie within the city limits such as owning a business or property, being employed within the city limits, or other similar factors.

The commission meets just once a month on the second Monday at 4:00 p.m. The work plan for this fiscal year includes: pursue additional local Historic Landmark designations; survey new properties; implement the small grants assistance program; and participate in National Historic Preservation Week activities.

Interested individuals may call Kathy Levin, Associate Planner at 203-5035 for further information.

Do These Wastewater Ordinance Requirements Affect You?

Major revisions to the Wastewater ordinance approved earlier this year by City Council may affect you.

Non-residential users of the City wastewater system must now post their allowed connection units in an easily visible location. The intent of this requirement is to make sure that non-commercial users such as schools, churches, restaurants, and others are aware of their allowed connections. If the allowance is exceeded, additional capacity fees are due.

Another requirement affecting businesses relates to grease traps. Grease traps and interceptors must be cleaned at least each quarter and the water temperature going into the trap must be less than 140° F.

A requirement that affects both residential and commercial connections is to install a backwater prevention device by December 31, 2011 if your sewer connection is lower than the top of the nearest upstream manhole lid plus four inches. This is to protect property from backups in the main sewer line.

If you have questions regarding these or other requirements of the ordinance, please call the Public Works Department at 204-7111.

2nd Annual Mayor’s Arts Awards Ceremony

The City of Sedona Arts & Culture Commission invites you to attend the 2nd Annual Mayor’s Arts Awards 2009 on Thursday, November 12, at 5:30 p.m. The ceremony will take place at Los Abrigados Resort & Spa in the Landmark Ballroom and is sponsored by ILX Resorts Incorporated.

The Mayor’s Arts Awards recognizes individuals, organizations, and businesses that have made outstanding contributions to the success of the arts in the City of Sedona. Those chosen to receive this year’s Mayor’s Arts Awards include: Christopher Lane, Individual; Goldenstein Gallery, Organization/Business; and Sedona Arts Festival, Education.

Seating is limited and a reservation is required. Please RSVP no later than Monday, November 2 by calling Ginger Wolstencroft, Director of Arts & Culture, at 204-7119.

Recreation Activities for Adults and Children

All programs that are currently in progress will have another session begin after the completion of the current sessions. All classes are subject to minimum student requirements in order to be held.

Big Kid's Move and Groove

Students will use musical props and games to discover their bodies as instruments. Ages 5-8.

September 9 – October 28. Wednesdays, 3:45 p.m. - 4:45 p.m.
\$85 per session

Kid's Yoga

In this fun and friendly environment, children will learn through yoga, how to feel good about who they are and what makes them unique. They will experience speaking in front of groups and will work on developing leadership skills. Parents are welcome to join in at no additional cost. Ages 4-6.

September 10 – October 15. Thursdays, 4:00 p.m. - 4:30 p.m.
\$30 per session

Beginners Adult Yoga

This class is created for people who have never experienced yoga or those who are older in body and need to start out slowly. Ages 18 and older.

September 8 – October 13. Tuesdays, 8:30 a.m. – 9:45 a.m.
\$60 per session

Tennis Lessons

All levels of tennis skills will be taught. Children's private lessons are available at \$45 per hour. Adult private lessons are available at \$50 per hour or 3 for \$100.

Pee Wee Teenie Tennis: Ages 4-7.

September 12 – October 3. Saturdays, 9:00 a.m. – 10:00 a.m.
\$40 per session or \$12 daily drop-in

Middle School Tennis: Ages 10-13. September 9 – September 30. Wednesdays, 3:30 p.m. - 5:00 p.m. \$56 per session or \$12 daily drop-in

Beginning Tennis: Ages 8-10.

September 8 - October 1. Tuesdays and Thursdays, 3:00 p.m. – 4:00 p.m. \$64 per session or \$12 daily drop-in

Adult Intermediate Tennis:

September 9 - September 30. Wednesdays, 5:30 p.m. – 7:00 p.m. \$50 per session or \$14 daily drop-in

Tennis Continued

Adult Advanced Tennis:

September 10 - October 1. Thursdays, 5:30 p.m. – 7:00 p.m.
\$50 per session or \$14 daily drop-in

Yo-yo Instruction

Fun and interactive lessons for children 8 and older.

Saturdays, 4:00 p.m. – 6:00 p.m. \$2 drop-in fee.

Lunchtime Language Classes

Spanish and Japanese

Fun and informative language classes that fit into your schedule. Learn a new language or brush up on a second language.

Japanese: September 14 – October 19.

Mondays, 12:15 p.m. – 1:00 p.m. \$50 per session

Spanish: September 9 – October 14.

Wednesdays, 12:15 p.m. – 1:00 p.m. \$50 per session

Do-It-Yourself Shiatsu

During your hands-on workshop, you will be shown movements that may help with pain, flexibility, stress and improve digestion, posture and concentration. Workshops are customizable and therefore appropriate for singles, couples, parents and even parents to-be.

Call now to schedule a workshop.

Parks and Recreation Special Events

Walk-A-Hound, Lose-A-Pound

October 3, 8:00 a.m. – 11:00 a.m.

Posse Grounds Park, 525 Posse Ground Road

\$10 pre-registration, \$15 the day of event

The City of Sedona Parks and Recreation Department cordially invites all animal lovers and dog owners to support this second annual event by participating in our Dog Walk. Families, neighbors, and community members are encouraged to register for the Walk-A-Hound, Lose-A-Pound event to be held on October 3, 2009. Entry fee is \$10 a person or \$15 the day of. Registration fee includes a commemorative portable dog bowl and an event bandana. Is the whole family walking together? Not every member must pay the registration fee to walk, but gifts are only given to paying participants. The Dog Walk will begin at the ramadas at Posse Ground Park at 8 a.m. The walking trail (2 miles) will lead you through both paved and dirt trails of beautiful Posse Grounds Park, 525 Posse Ground Rd. There will be alternate shorter routes for those whose doggies get tired. After the walk, vendors will be on site for viewing until 11 a.m. The Sedona Humane Society will be organizing fun competitions including obedience, best doggy trick and a look-a-like contest. Small prizes will be awarded. See a demonstration of Red Cross Pet CPR and First Aid, as well as a demonstration from Police Dog Joker. It is sure to be a fun event for those who enjoy a little exercise and the great outdoor views Sedona has to offer. We encourage all friendly owners and their well-behaved dogs to be a part of this day. All breeds are welcome. Please have dogs on leashes. Register today at Parks and Recreation.

Pumpkin Splash

October 24, 1:00 p.m. – 3:00 p.m.

Sedona Community Pool, 570 Posse Ground Road

\$2 per person

Bring your bathing suit and join your friends at the best pumpkin patch in Sedona! On October 24 from 1 p.m. – 3 p.m. the Sedona Community Pool will be home to plump pumpkins ready for the picking. Out of the water that is! This event is limited to the first 120 participants and is \$2 per person.

All non-swimmers must wear a life jacket and be accompanied by an adult in the water. There will be organized games and prizes, pumpkin painting, goodie bags and afterwards everyone participating will be able to take home one pumpkin.

The Sedona Community Pool is located at 570 Posse Ground Road (at West Sedona School). For more information, contact Sedona Parks and Recreation at 282-7098. In the event of rain, please call 282-7098 the day of the event to hear a recorded message letting you know the alternative location for Pumpkin Splash. The show must go on!

Be sure to check the Parks and Recreation website to learn about new special events this winter.

Pool Activities and Classes

The Sedona Community Pool is located in Posse Grounds Park, directly behind West Sedona School at 570 Posse Ground Road. The pool is open seasonally and as dates are subject to change, it is always best to find the most current pool schedule on the city website at www.SedonaAZ.gov. The pool is currently running its fall schedule through October 30, 2009. See schedule below. During open hours we strive to provide diverse, quality programming for people of all ages and abilities.

Recreation Swimming

Now is the time to play! Children and adults are welcome to come enjoy the pool four days a week in the fall. The deep end has a water slide and the shallow end is available for smaller swimmers. Children unable to swim must be accompanied by a swimmer 16 years or older. Lifejackets are available. Children must be able to swim one length of the pool in order to swim in the deep end. For safety purposes, no floatation toys are allowed in the pool. **\$2 children, \$3 adults, 30-visit punch passes available for \$45 (child and senior) and \$75 (adult).**

Lap Swim

Adults can enjoy swimming laps in the evening and on weekends during the fall schedule. Amount of lane space varies, circle swimming may be necessary, depending on the amount of swimmers. **\$2 seniors, \$3 adults, 30-visit punch passes available for \$45 (seniors) and \$75 (adults).**

Open Swim

Open swim is a combination of recreation and lap swim time. Two lanes are dedicated to lap swimmers and the shallow end and deep end with slide are available for recreation swimmers. A good time for all ages. **\$2 children, \$3 adults, 30-visit punch passes available for \$45 (child and senior) and \$75 (adult).**

Swim Lessons

Red Cross certified swim instructors teach all levels of swimming during the summer season. Don't miss out in 2010!

Masters Swim

A coach is on deck to provide instruction on stroke drills that will help you improve your stroke technique, thereby increasing your swimming strength and comfort level. **\$5 per adult.**

Water Aerobics

Get a great cardiovascular workout while keeping cool in the pool. Water Aerobics is easily adaptable to different fitness levels. If you haven't tried it yet, make this fall your first! Classes are held in chest high water. Contact Parks and Recreation for fall pool locations. **\$5 per class or \$75 for 30-visit punch pass.**

American Red Cross Lifeguarding Class

This is an opportunity for anyone wanting to work at a pool to become a certified lifeguard. In this class you will learn water rescues, CPR, First Aid and how to use an automated external defibrillator. Ages 15 and older. The next class will be offered in the spring of 2010. Check the city website for a current listing of classes, www.SedonaAZ.gov.

Parks Maintenance Happenings

Perhaps you have stopped by Sunset Park or Posse Grounds Park and noticed some changes at the City's facilities. We hope you have!! The maintenance staff has been incredibly busy over the last 9 months on a variety of projects throughout our facilities.

One of the major projects at Posse Grounds Park was building a handicap accessible restroom facility and updating the recreation room to provide for more natural light, storage and mirrors. Both facilities opened up in mid-August. In conjunction with the Kiwanis of Sedona-Bell Rock, the National Football League, the Boys and Girls Club of Northern Arizona, and the City, the multi-use field at Posse Grounds has been widened and elongated with new multi-use goalposts and a scoreboard.

Other improvements at the Park include refurbishing of the picnic ramadas and sand volleyball court. A new water main and booster pump was installed for the athletic fields (which provides improved water pressure and eliminates the need for the old water storage tank). Staff also installed an on-site weather station, which helps the City save money and water by calculating the precise amount of water that is needed on a daily basis and translating that data into the proper minutes of run time for the irrigation system. New directional signage has also been installed at Posse Grounds Park, along with Jordan Historical Park. And, with help from the Jamesen family, Jamesen Park received a long overdue facelift and renovation.

The Sedona Community Pool has undergone a complete transformation! Over the winter, the pool was re-tiled and re-plastered, the privacy fencing was upgraded, and the showers were tiled. Thank you to the generosity of Phil Kincheloe Plumbing Company, a tankless hot water heater was added to ensure the showers are always hot. The facility received a fresh coat of exterior paint as well. If you didn't get a chance to visit the pool over the summer, you still have plenty of time before the pool closes on October 30, 2009.

Stop by one of our park facilities today - we hope you stay and play and enjoy the improvements!

U.S. Census – Be Counted in 2010

The 2010 Census is a count of everyone living in the United States and is mandated by the U.S. Constitution. All U.S. residents must be counted – people of all races and ethnic groups, both citizens and non-citizens. Census Day is April 1, 2010.

Census data are used to distribute Congressional seats to states, to distribute more than \$400 billion in federal funds to local, state and tribal governments each year and to make decisions about what community services to provide.

The 2010 Census questionnaire will be one of the shortest in history and consists of 10 questions, taking about 10 minutes to complete. Strict confidentiality laws protect the confidentiality of respondents and the information they provide. For more information about the 2010 Census, go to 2010census.gov.

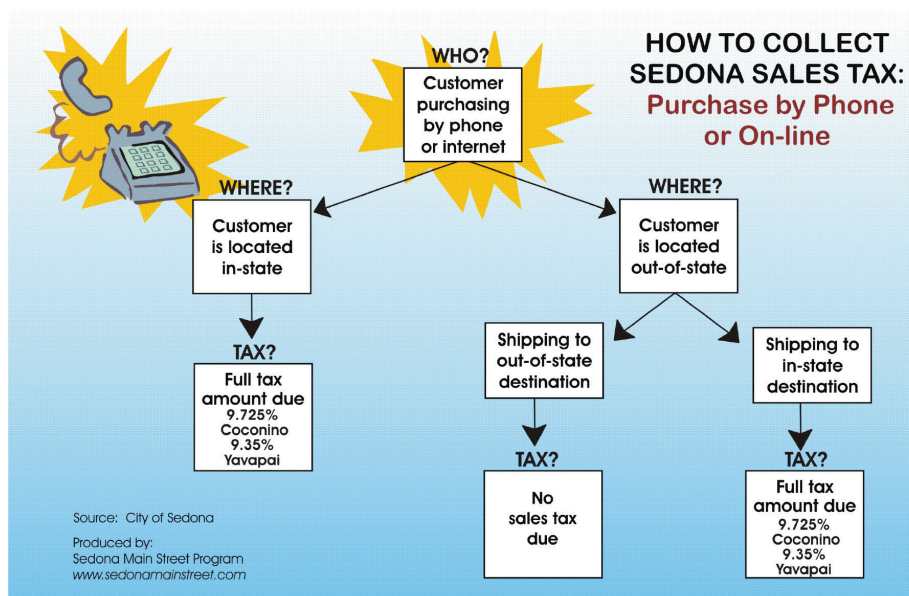

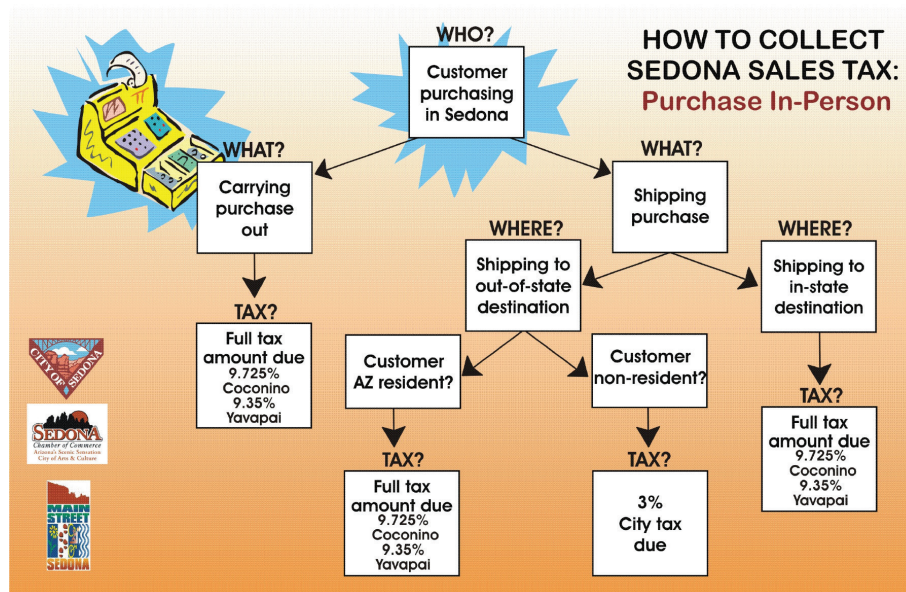

Understanding Sales Taxes

“Sales tax collections are vital to the overall operations of the City of Sedona. These tax collections provide city leaders with key economic data that reflects the strength of our business community - and our economic vitality. The city relies on these tax dollars to provide critical city services and it is imperative that these collections are accurately tracked and collected,” states Jennifer Wesselhoff, President and CEO of the Sedona Chamber of Commerce.

To assist everyone in collecting the right sales tax, the Sedona Main Street Program (SMSP), the Sedona Chamber of Commerce and the City are partnering on the creation and distribution of this sales tax guide. Whether your customer is in the store, on the phone or ordering via the Internet, the correct amount of sales tax can be determined using the tips from the guide.

“This simple graphic card will be useful in clearing up sales tax confusion, while being a great training tool for new employees and a visual explanation for customers,” shared Becky O'Banion, President of SMSP and co-owner/manager of Zonies Galleria Uptown.

Teams of folks from the City, the Chamber, and SMSP will be circulating through the commercial areas of the city passing out the new cards. Should you have questions or need additional copies of the cards, please call the City of Sedona Finance Department at 204-7195.

Upcoming Primary Election

On March 9, 2010, the City will hold a primary election for Mayor and three Council seats. The voters will also decide whether or not the City will return to the previous practice of having the Mayor chosen by and from the City Council rather than being directly elected.

How do I register to vote?

Online: You may register online using Service Arizona EZ Voter Registration through the Arizona Secretary of State's office at www.azsos.gov/election/VoterRegistration and follow the instructional steps. In order to use this link you must have an Arizona Driver License and/or an Arizona non-operating Identification Card issued by the Motor Vehicle Division (MVD) on or after October 1, 1996. Upon successful completion of the online EZ Voter registration, you will receive a confirmation number. The confirmation number is your receipt that the information you entered has been accepted and changed.

Print a Form: From the State's website above, you may obtain a printable form online, fill in the form, print the form, sign and date it, affix the proper postage and mail the form to the County Recorder of the county in which you are a legal resident.

By Mail: You may request an Arizona Voter Registration form from the County Recorder in the county in which you are a legal resident. The address for the Coconino County Recorder is 110 E. Cherry Avenue, Flagstaff, AZ 86001, and the phone number is 928-779-6589. The Yavapai County Recorder's address is 1015 Fair Street, Prescott, AZ 86305, and that phone number is 928-771-3248.

In Person: You may visit the County Recorder in the county you are a legal resident and complete an Arizona Voter Registration form.

The City Clerk's office also has registration forms for both Yavapai and Coconino counties, for your convenience.

Please remember to register again if you have changed your address, and don't hesitate to call the Sedona City Clerk's office if you have questions at 282-3113.
